

رؤية قسم الادارة:

يتطلع قسم الادارة كلية التمريض جامعة بنى سويف أن يكون قسما متميزا على مستوى اقسام ادارة التمريض بالكليات المماثلة محليا واقليميا بالمساهمة فى اعداد وتطوير القيادات التمريضية الادارية فى المؤسسات الصحية.

Department Vision

The nursing Administration Department of the Faculty of Nursing at Beni-Suef University looks forward to be a distinguished department at the level of the nursing administration departments in similar colleges locally and regionally by contributing to the preparation and development of nursing administrative leaders in health institutions.

رسالة قسم الادارة:

يلتزم قسم ادارة التمريض بإعداد خريجين ذو مهارات قيادية من خلال تقديم المفاهيم الادارية الحديثة والمقررات ذات المعايير العالمية وقادرين على ادارة وحدات تمريضية للمؤسسات الخدمية والتعليمية وكذلك بالمشاركة المجتمعية الايجابية وحل مشكلات المجتمع من خلال اجراء البحوث في ادارة التمريض وكذلك المشاركة في المشروعات المحلية والإقليمية.

Department Mission

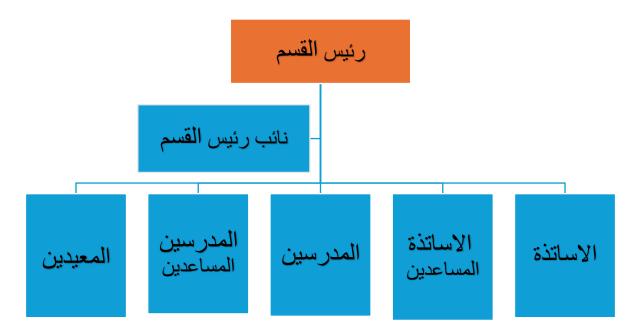

The nursing administration department is committed to prepare graduates with leadership skills through introducing modern management concepts and courses with international standards. And able to manage nursing units for service and educational institutions through positive community participation and solving society's problems. In addition to conducting research in nursing administration as well as participation in local and regional projects

أهداف قسم الادارة:

1. إعداد الكفاءات العلمية والكوادر المؤهلة في التمريض.

- 2. تعزيز قدرات الطلاب في الاتصال والتواصل المهني الفعال مع الزملاء، والمرضى والمجتمع وأعضاء الفريق الصحي.
- 3. رفع الوعي الصحي من خلال تعزيز دور الطلاب القيادي في المجتمع ومشاركته في تحسين نوعية الرعاية الصحية ومواكبة التطورات المهنية.
- 4. اكساب الطلاب المعلومات والمهارات والاتجاهات الضرورية وحل المشكلات المرتبطة بعملهم المستقبلي.
- 5. إعداد اخصائيين تمريض يتحلون بالآداب والأخلاقيات المهنية المطلوبة، ويؤمنون بقيم إتقان العمل والأمانة، وقادرون على التأقلم والعمل بروح الفريق الواحد.
- 6. إعداد كفاءات قادرة على التعامل مع تكنولوجيا المعلومات والتقنيات الحديثة المستخدمة.
 - 7. اعداد مناهج متطورة متوافقة مع المناهج الدولية.

الهيكل التنظيمي لقسم ادارة التمريض كلية التمريض جامعة بني سويف

2-Overall Aims of the course

- 1. Embody ethical and professional disposition committed to excellence, equity and sustainability.
- 2. Engage in person-centered care sensitive to the needs of individuals, families and communities.
- 3. Demonstrate integration of knowledge, skills and professional attitudes utilizing clinical evidences to provide safe and holistic patient care.
- 4. Display cognitive flexibility and reflective functioning when working with individuals, families and communities.
- 5. Advocate for and engage with individuals, families and communities to ensure health equity and promote social justice.
- 6. Exhibit creative and adaptive thinking within a changeable scientific social and technological environment.
- 7. Demonstrate effective communication, collaboration and leadership valuing the diversity of people and communities
- 8. Identify threats to safety and develop strategies to minimize risk of harm to individuals, families and communities.

3- Learning Outcomes of the course (LOs)

Domain 1: Professional and Ethical Practice

Competency Key	elements Co	Course subject	Subject objectives	Teaching Methods	Media used	Assessment methods
Competency: Demonstrate knowledge, understanding, responsibility and accountability of the legal obligations for ethical nursing practice understanding, fra and its fu obligations for ethical nursing practice of the legal obligations for ethical nursing practice	to the gislative amework ad the role of e nurse and s regulatory nctions. emonstrate sponsibility ad ecountability	ntroduction o nursing dministration olicies and rocedure ob analysis cJob escription fanaging quipment	Define concepts Identify different categories of nursing at different level of management List types of policy. Differentiate between administrative and managerial functions of each managerial category Differentiate between Job analysis & Job description Identify managing equipment	Lecture Discussion	Data show	Mid- term exam Final Written exam

Domain 2: Holistic Patient-Centered Care

Competency	Key elements	Course subject	Subject objectives	Teaching Methods	Media used	Assessment methods
holistic and evidence-based nursing care in different practice settings. Provide health education based on the needs/ problems of the patient/ client within a nursing framework.	Advocate the patient/client needs/problems within the Egyptian health care system and the personal context. Communicate health information and coordinate health education/promotion activities effectively according to patient/client needs.	Planning Organizing Directing Controlling Organizational Culture	Define concepts Identify different categories of nursing at different level of management Enumerate the purpose of planning. List classification of planning. List steps of organizing. Discuss element of organizational culture. List functions of organizational culture Discuss element of directing. Discuss of controlling techniques.	Lecture Discussion	Data show	Mid-term exam Final Written exam

Level / year: Master degree of	Course Title:	Code:	MNA222
Nursing Administration	Health Economics.		
2 nd term			
Specialty: Nursing Administration	on	Credit / 1	taught hours:
		2 credit h	ours/ week.

2. Overall aims of Course:

This course provides an understanding of economic principles and their application to the health care industry. The course applies concepts, analysis and tools for discussing issues pertaining to health care and the delivery of health care services. Topics include: introduction to economics, Essential economic concepts, demand and supply, customer behavior, budget, Elasticity, and production, costs and market.

3. Course Objectives: Intended Learning Outcomes (ILOS)

A. Knowledge and Understanding skills

The student will be expected to: -

- a1. Define Health Economics.
- a 2.Identify macroeconomics & microeconomics.
- A 3. Define scarcity.
- A 4. List importance of health economics.
- A5. Mention the definitions of terms (Demand, Supply, want &Equilibrium).
- A 6. Compare between Supply and demand.
- A 7.Define nursing shortage.
- A8. List factors causing nursing shortage.
- A9.discover consequences of nursing shortage.
- A 10. Define these terms (consumer, behavior, consumer behavior).

B. Intellectual Skills:					omics. ts). n of nursing onomics and y of demand nagement to mics.

Course Specification

Faculty of Nursing, Beni-Suef University	
Program(s) on which the course is given:	M. Sc. Nursing
Major or minor element of programs:	Nursing Administration.
Department offering the program:	Nursing Administration Dept.
Department offering the course:	Nursing Administration Dept.
Academic year / level:	2 nd semester
Date of specification approval:	

A- Basic information:

Title: strategic management for services	Code: MNA224
الاستراتيجية الادارية للخدمات.	
Credit Hours: 3 hours	Lecture Length: 3 hours/week
Practical: None	

B- Professional Information:

1 - Overall Aims of Course:

This course is aimed at equipping the master student with the essential knowledge, skills and attitude toward strategic management and strategic planning for healthcare organizations.

2 - Intended Learning Outcomes of Course (ILOs):

A- Knowledge and	A1-Trace the evolution of strategic management.
Understanding	A2- differentiates between strategic management,
	strategic thinking, strategic planning, and strategic
	momentum.

UNI	
	A3- Discuss the significance of external analysis for
	health care organizations.
	A4- Explain the importance of a service area structure
	analysis for a health care organization.
	A5- Describe how competitively relevant strengths and
	weaknesses can be used as the basis for developing
	strategic plans.
	A6- Describe the roles of and relationships among
	mission, vision, values, and strategic goals.
	A7- Discuss the steps and logic of strategy
	development.
	A8- Discuss the methods for the evaluation of adaptive
	strategic alternatives for a health care organization.
	A9- Discuss the service delivery strategies.
	A10-Explain why the value-adding support strategies
	are important elements in the implementation of
	strategy.
	A11-Discuss how strategies are translated into action
	plans.
B-Intellectual Skills	B1- Articulate the necessity for both the analytic and
2 2320032000000 233333	emergent models of strategic management.
	B2- Identify major general environment, health care
	system, and service area trends affecting health care
	organizations.
	B3- Develop critical factors for success for a product or
	service in a service area.
	B4- Determine the competitive relevance of each
	organizational strength and weakness.
	B5- Demonstrate how strategies may be used in
	combination to accomplish the organization's goals.
	B6- Provide the rationale as well as advantages and
	disadvantages for strategic alternatives.
	B7- Link the results of internal analysis and the
	development of service delivery implementation
	strategies.
	B8- Align the value-adding support strategies to ensure
1	

	mission, vision, and goals.	
	B9- Suggest some effective ways to overcome barriers	
	to the implementation of strategies.	
C- Professional and	C1- Describe the various leadership roles of strategic	
Practical Skills	managers.	
	C2- Suggest several questions to initiate strategic	
	thinking that focus on identifying and responding to	
	external change.	
	C3- Validate strategic assumptions to reinitiate strategic	
	thinking concerning the	
	Service area and competitors.	
	C4- Articulate the rationale of using the organizational	
	value chain to conduct internal analysis.	
	C5-Map strategic decisions showing how they are	
	linked.	
	C6-Demonstrate how competitive advantage may be	
	created inside the organization through implementation	
	of the service delivery strategies.	
	C7-Link the results of internal analysis of the support	
	activities to the implementation of value-adding	
	support strategies.	
	C8-Explain the need for contingency planning in health care organizations.	
	C9-Relate the map and compass metaphor to strategic	
	thinking, strategic planning, and managing the strategic	
	momentum.	
D-General and	D1-valuing strategic management in achieving	
Transferable Skills	organizational success.	
	D2-play an active role as a change agent.	
	D3-advocate for innovation, creativity and change.	
	D4-participating in formulation of healthcare policies	
	that affect the future of nursing profession.	

3-Contents:

1	The Nature Of Strategic Management.
2	External Analysis.
3	Service Area Competitor Analysis.
4	Internal Analysis and Competitive Advantage.
5	Directional Strategies.
6	Identifying Strategic Alternatives.
7	Evaluation Of Alternatives And Strategic Choice.
8	Value Adding Service Delivery Strategies.
9	Value Adding Support Strategies.
10	Communicating Strategies And Developing Action Plans
11	
12	
13	

4- Teaching and learning methods:

- 4.1- Lectures using black and board and Data show.
- 4.2- Brain storming.
- 4.3- Group discussions.
- 4.4- Assignment.
- 4.5- Case study

<u>5-student assessment methods:</u>

- 5.1- Quiz to assess Knowledge
- 5.2- Observation to assess Attitude and practice
- 5.3-Practical test to assess Skills
- 5.4- Oral test to assess Knowledge and attitude
- 5.5- Written test to assess Knowledge

Weighing of assessments:

Mid-Term Examination 0 %

Final-Term Examination 60 % (90 marks)

Oral Examination 20 % (30 marks)

Practical Examination 0 %

Semester work 20 % (30 marks)

Total 100% (150 marks) and minimum score (90 marks).

Exam hours: 3 hours

2. Overall aims of Course:	This course designed to assist the post graduate				
	students to develop management skills, how to				
	resolve conflict, and how to manage a unit. The				
	curriculum will be utilizes to integrate principles				
	of nursing administration including: planning,				
	organizing, directing, controlling, evaluating,				
	reporting and recording, communication.				
3. Course Objective: Intended Learnin	g Outcomes (ILOS)				
A. Knowledge and Understanding	al- identify the elements of management process				
skills	a2 - State conflict management.				
	a3 -List causes of conflict between nurses and				
	doctors.				
	a4 - Explain job description content				
	a5- Describe component of staff development.				
	a6 - Explain types of employment procedure.				
	a7-Identify needs for change.				
	a8- Illustrate tools of supervision.				
	a9- List behaviors for performance appraisal.				
	a10- State principle of time management.				
B. Intellectual Skills:	b 1-Analyze the link between performance				
	appraisal and quality improvement.				
	b 2- summarize method of supervision				
	b3- Illustrate the impact of good nurse –physician				
	communication.				
	b4- Explain techniques of time management.				
	b5- compare between types of change.				

	b6-Explain techniques of communication skills.					
	b7- Demonstrate element of management					
	process.			C		
C. Professional and Practical Skills	c1- Apply each element of management process					
	by head nurse.					
	c2- Construct job description for each category of					
	nursing personnel.

2. Overall aims of Course:

This course designed to assist the post graduate students to develop a broad understanding and application of the concepts, trends, issues and skills that are related to nursing administration. Further, it would provide an opportunity to the students to develop strategic plan for a nursing unit design staff development program for nursing staff, and to prepare a time log for a head nurse.

3. Course Objectives: Intended Learning Outcomes (ILOS)

A. Knowledge and Understanding skills

By the end of the course, the participant will be able to:

- A 1. Define planning.
- A 2. Enumerate purpose of planning.
- A 3. Recognize different approaches of planning.
- A 4. Determine the nature of planning.
- A 5. List principles of planning.
- A 6. Explain steps of planning.
- A 7. Define strategic planning.
- A8. Enumerate importance of strategic planning.

	A 9. Describe components strategic planning team.				
	A 10. Define staff development.				
	A11. Describe Components of staff development.				
	A 12. Define time management.				
	A 13. Explain time management techniques.				
	A 14. List tools of time management.				
B. Intellectual	B1. Analyze phases of strategic planning phases.				
Skills:	B2. Differentiate between centralized and decentralized arrangement of the staff development.				
	B 3. Analyze phases of staff development.				
	B4. Formulate general objective for staff development program for nursing staff.				
	B5. Formulate specific objectives for staff development program for nursing staff.				
	B6. Differentiate internal and external sources of time wasting.				
	B7. Develop job description for different nursing positions				
C. Professional and	C1. Prepare strategic planning for a nursing unit.				
Practical Skills	C2 .Show planning hierarchy for management levels.				
	C3. Differentiate between strategic, intermediate and operational planning.				
	C 4. Develop SWOT analysis for a nursing unit.				
	C5. Report the role of strategic planner.				
	C6. Design staff development program for nursing staff.				
	C7. Assess learning needs of staff development program for nursing staff.				
	C8. Prepare time log for head nurse. C9. Apply problem solving process C10. Design performance Appraisal forms. C11. Apply each element of management process by head nurse.				
	C12. Construct job description for each category of nursing				

	personnel.				
	C13. Formulate time planning for nursing personnel.				
	C14. Apply principle of motivation.				
	C15. Orient new employee		ob description

Head of Department:

Course Coordinator

Asset.Prof. Dr/ Sanaa Hassan Mohamed

University / Academy: Beni Suef Faculty / Institute: Nursing

Program within which the course is given: Master degree of

Nursing Administration

Course specifications

1. Data of the Course:			
Level / year: Master degree of Nursing Administration (specialty) 2 nd term	Course Title: Clinical of basics of Nursing Administration. عملی اسس	Code:	MNAP221
Specialty: Nursing Administration			taught hours: hours/ week.

2. Overall aims of Course:

- This course designed to assist the post graduate students to develop a broad understanding of the concepts, trends, issues and skills that are related to nursing administration. Further, it would provide an opportunity to the students to develop strategic plan for a nursing unit design staff development program for nursing staff, and to prepare a time log for a head nurse

3. Course Objectives: Intended Learning Outcomes (ILOS)

A. Knowledge and Understanding skills

By the end of the course, the student will be able to:

- A 1. Define planning.
- A 2. Enumerate purpose of planning.
- A 3. Recognize different approaches of planning.
- A 4. Determine the nature of planning.

	A 5. List principles of planning.				
	A 6. Explain steps of planning.				
	A 7. Define strategic planning.				
	A8.Enumerate importance of strategic planning.				
	A 9. Describe components strategic planning team.				
	A 10. Define staff development.				
	A11. Describe Components of staff development.				
	A 12. Define time management.				
	A 13. Explain time management techniques.				
	A 14. List tools of time management.				
B. Intellectual	B1. Analyze phases of strategic planning phases.				
Skills:	B2. Differentiate between centralized and decentralized arrangement of the staff development.				
	B 3. Analyze phases of staff development.				
	B4. Formulate general objective for staff development program for nursing staff.				
	B5. Formulate specific objectives for staff development program for nursing staff.				
	B6. Hypothesize internal and external sources of time wasting.				
C. Professional and	C1. Prepare strategic planning for a nursing unit.				
Practical Skills	C2 .show planning hierarchy for management levels.				
	C3. Differentiate between strategic, intermediate and operational planning.				
	C 4. Develop swot analysis for a nursing unit.				
	C5. Report the role of strategic planner.				
	C6. Design staff development program for nursing staff.				
	C7. Assess learning needs of staff development program for				

	nursing staff.				
	C8. Prepare time log for head nurse.				
D. General and	d1- Communicates effectively with				
Transferable skills	Health care team in the hospitals.				
	d 2- Use communication te	chnique and	d creative thin	ıking.	
	d 3- Demonstrates appropri in different health settings.	ate professi	onal attitude	and behavior	
	d 4- Present data in an orga	nized and in	nformative m	anner.	
4. Course content:	Theoretical part:	1		ı	
	Topic	lecture	hours	Practical hours	
	Planning & strategic planning	2	6 hrs		
	Strategic plan for nursing department			18hrs	
	Staff development	2	6hrs		
	Staff development for nursing staff.			18hrs	
	Time management	2	6 hrs		
	Time log for a head nurse.			18hrs

**ملحوظه هامه

- على جروب السمينار الانتهاء من اعداد جميع الابحاث لتكون جاهزه للعرض خلال الاسبوع الاول من الاريه.
- التواصل مع الدكتور المسؤل عن البحث من خلال الواتس. مع العلم ان مواعيد الابحاث المذكوره اعلاه مبدئية وقد يتم تغييرها بناء على تعليمات الدكتور المسؤل عن البحث

منسق العملي: رئيس القسم: د/ فاطمه فؤاد الم.د/ سناء حسن

آلية التقييم الخاصة بقسم الادارة ٢٠٢٦/٢٠٢

- تعتمد آلية تقييم طلاب كلية التمريض على تقييمات نظرية وعملية متعددة, تشمل تقييمات تكوينية (تتابعية) وتجميعية (نهائية), وتركز على المعرفة النظرية والمهارات العملية, بالاضافة الى المهارات الشخصية مثل المبادرة والتحفيز والقدرة على العمل بشكل مستقل والتواصل المهني مع المريض وعائلته, مع الاخذ في الاعتبار نسبة الحضور و درجات الامتحانات.
 - يعتمد القسم على آليات العدالة الامتحانية في تقييم الطلاب وتشمل:
 - * الاختبارات التحريرية (الورقية)
 - * الاختبارات الالكترونية
 - * الاختبارات العملية
 - * الاختبارات الشفهية

آليات العدالة الامتحانية

أولا الاختبارات التحريرية (الورقية):

- إعداد قائمة باسماء الطلبة وأرقام الجلوس
 - إعداد جداول الاختبارات التحريرية
- تشكيل الكنترولات (ملاحظة-مراقبة-اشراف)
- وضع قواعد التصحيح طبقا لنظم التقييم والاختبارات التحريرية الخاصة بالكلية
- إعلام استاذ كل مادة بجدول الاختبارات وضوابط عقد الاختبارات بالكلية ومواصفات ومعايير الورقة الامتحانية
- يجوز عند الضرورة ان يتسلم الكنترول الامتحان في ظرف مغلق وموقع عليه من استاذ الماده قبل بدء الامتحان ب ٢٤ ساعة في حالة الامتحان الورقي
 - إعلام رئيس الكنترول بلجنة التصحيح والشفوي لكل مادة للالتزام بها
 - توقيع اعضاء كل كنترول على إقرار عدم وجود أي درجة قرابة حتى الدرجة الرابعة وعدم وجود تعارض مصالح
 - تسليم نموذج الاجابة بعد الانتهاء من الامتحان مباشرة
- إعلام السادة أعضاء هيئة التدريس المسئولين عن التصحيح قواعد التصحيح للالتزام بها
- بعد الانتهاء من النتيجة يفتح باب التظلمات والشكاوي لمدة اسبوعين وتحول التظلمات / الالتماسات الى مكتب شئون الطلاب ثم الى وكيل الكلية لشئون التعليم والطلاب ثم الى الكنترول لمراجعة واعادة رصد الدرجات والتأكد من جمع الدرجات وتصحيح جميع الاسئلة بورقة الاجابة ثم يتم الرد على التظلمات/الالتماسات المقدمة

ثانيا الاختبارات الالكترونية:

- إعداد قائمة باسماء الطلبة والرقم القومي واسم المستخدم الاخاص بكل طالب
- إعداد جداول الاختبارات الالكترونية المقرر انعقادها بمركز الاختبارات الالكترونية
 - تشكيل الكنترولات (ملاحظة-مراقبة-اشراف)
- إعلام استاذ كل مادة بجدول الاختبارات وضوابط وضع الاختبار والاجابة النموذجية طبقا لمواصفات ومعايير الاختبار الالكتروني

- يتم تسليم الامتحان والاجابة النموذجية بعدد النماذج المطلوبة بواسطة استاذ المادة الى مركز الاختبارات الالكترونية
- يقوم استاذ المادة بعمل مراجعة على الامتحان (quality check) لمراجعة الامتحان من حيث الصياغة ووضوح الاسئلة والاجابات الصحيحة وعدم وجود اخطاء املائية واختلاف الامتحان لكل مجموعة في حالة تعدد نماذج الاختبارات
 - إعلام رئيس الكنترول بلجنة الشفوي لكل مادة للالتزام بها

ثالثا الاختبارات العملية:

- يتم تجهيز ومراجعة بنك اسئلة للاختبارات العملية يحتوي على الف مفردة اختبارية بالمواصفات المحددة
 - تحديد موعد لاختبار الطلاب من قبل مجلس القسم
- يتم اعلام الطلاب بجدول الاختبارات العملية والشفهية ليتم الاتزام به لجميع الطلاب
- يتم عمل ندوة للطلاب عن كيفية اجراء الاختبارات العملية والشفهية في ظل التحول الرقمي (تطوير نظم الاختبارات العملية والشفهية)
 - يقسم الطلاب على عدد اللجان بعدد مناسب لكل لجنة
- يتم عمل محضر قرعة بحضور عينة ممثلة من الطلاب وكذلك من اعضاء هيئة التدريس لتوزيع الطلاب على اللجان وتسجل لجان التوزيع في المحضر الذي يوقع من الطلاب و اعضاء هيئة التدريس
- يتم عمل كروت تشمل الاجزاء العملية للمنهج الذي تم دراسته وتكون موحده لجميع لجان العملي ومطبوعة الكترونيا
 - يتم تقييم الطالب بالطريقة التكوينية (quiz) حتى يتمكن الطالب من تحسين مستواه
 - اعلام الطلاب بالنتائج
 - ان يوقع الطالب على نتيجة التقييم الاجمالي لاعمال السنة

رابعا الاختبارات الشفهية:

- يتم تجهيز ومراجعة بنك اسئلة للاختبارات الشفهية يحتوي على الف مفردة اختبارية بالمواصفات المحددة
 - تحديد موعد لاختبار الطلاب طبقا للائحة

- يتم عمل كروت مختارة من بنك الاسئلة الشفهية تشمل الاسئلة المتنوعة للمنهج الذي تم در استه وتكون موحده لجميع لجان الشفهي ومطبوعة الكترونيا
 - يقسم الطلاب على عدد اللجان بعدد مناسب لكل لجنة
- يتم عمل محضر قرعة بحضور عينة ممثلة من الطلاب وكذلك من اعضاء هيئة التدريس لتوزيع الطلاب على اللجان وتسجل لجان التوزيع في المحضر الذي يوقع من الطلاب و اعضاء هيئة التدريس
- وضع نظام موحد لعدد الكروت المطلوب من الطالب الاجابة عليها وكذلك قواعد موحدة لتغيير الاسئلة مثل (تغيير كارت السؤال)
- يتم استخدام استمارة الاختبار الشفهي لتي تشتمل على (درجة المعرفة-درجة المظهر-درجة السلوك)
 - يضع كل ممتحن درجته في الاستمار الخاصة بكل طالب ثم تجمع في كشف نهائي
 - لا يجوز عقد امتحانات شفهية في صورة امتحانات تحريرية
 - توافر بيئة مناسبة للامتحان من حيث (الاضاءة-التهوية الهدوء)
 - ضرورة احتفاظ القسم بالاتي:
 - الاسئلة الشفهية
 - درجات الشفوي
 - محضر قرعة الشفوي

خطة التحسين الخاصة بقسم إدارة التمريض للعام الأكاديمي ٢٠٢٦/٢٠٢٥

محاور خطة التحسين:

- ١. مقررات تعليمية مميزة عن طريق تحديث المحتوى العلمي الخاص بتمريض الادارة
 - ٢. تحسين كفاءة أعضاء هيئة التدريس
 - ٣. استحداث اساليب تدريس جديدة تتماشى مع الوضع الحالي
 - ٤. ااستحداث اساليب تقييم جديدة تتماشى مع الوضع الحالي

خطة التحسين الخاصة بقسم إدارة التمريض للعام الأكاديمي ٢٠٢٦/٢٠٢

أولا: المقررات الدراسية

مؤشرات النجاح	الفترة الزمنية	المسؤل عن التنفيذ	اساليب التنفيذ	النشاط
تحديث المقررات الدراسية المسكنة	07.7\77.7	وكيل الكلية	عمل لجنة من داخل القسم لتحديث	١. تحديث ومراجعة المقررات الدراسية
بالقسم وفقا للمعايير الاكاديمية المرجعية		رئيس القسم	المقررات بناء على المعايير	المسكنة بالقسم وفقا للمعايير الاكاديمية
